

Remarks

Applicant originally received a Notice of Non-Compliant Amendment mailed October 31, 2005 and filed a Response with a corrected Amendment on November 4, 2005. Having noticed that the November 4, 2005 Response and associated Amendment was also non-compliant, Applicant submitted Supplemental Response and corrected Amendment on December 5, 2005. This December 5, 2005 Response was filed without a formal Petition under 37 CFR 1.136(a) but with an authorization to charge any fee deemed due to Deposit Account **502591**. Applicant then received a second Notice of Non-Compliant Amendment December 6, 2005. Although the Amendment dated December 5, 2005 appears on the PAIR report to have been entered, Applicant wants to be certain that a proper Response and corrected Amendment is on the record.

Applicant therefore files the present Response to the Notices of Non-Compliant Amendment dated October 31, 2005 and December 6, 2005 along with a Petition under 37 CFR 1.136(a) for a one-month extension of time and a credit card authorization for the \$60 petition fee. Please disregard or withdraw the Supplemental Response and corrected Amendment submitted on December 5, 2005. Please also credit any fee charged in connection with this paper toward the petition fee for the present amendment or credit it to Deposit Account **502591**, as deemed appropriate.
